Response to Notice of 10/18/2007
Attorney Docket: FITMO-002A

Amendment to the Drawings:

Attachment: Replacement Sheet of substitute Drawings as Exhibit A of 1 page.

REMARKS

This is in response to the Notice to File Corrected Application Papers of October 18, 2007. In the subject Notice, the Examiner indicated that the Figure 4 drawing was marred by black smudges and obliterations. By the present Amendment, Application has corrected Figure 4 removing the black smudges in accordance with the Examiner's suggestion. Furthermore, Applicant has attached hereto the substitute drawing under Exhibit A to aid in the clarification of the description of Figure 4, that more clearly shows the outline of the drawing and numbers.

Moreover, Applicant had previously paid the issue and publication fee on September 27, 2007, therefore it is understood no additional fees are required. As such, Applicant respectfully submits that the Substitute Drawing meets the requirements and respectfully requests to the Examiner that the patent application is now in condition for issuance.

If any additional fee is required, please charge Deposit Account Number 19-4330.

Respectfully submitted,
